OLY-OLA's Retail Landscape Edging Display Rack Available Exclusively to Independent Nursery/Garden Centers

*Shows Customers the Value Of Installing
Premium Landscaper Edging Products*

Villa Park, IL, - Oly-Ola Edgings' Retail Display Rack, offered exclusively to independent retail nursery and garden centers, is designed to provide nurseries and garden centers with a showcase for premium, landscaper quality landscape edging and paver restraint products. The "customer-friendly" display gives customers the ability to see the value of installing high quality Oly-Ola landscape edging versus using the lightweight boxed and rolled edging products found in chain stores.

The **Oly-Ola Edgings'** Retail Display Rack is green and constructed of heavy-duty steel and rod tubing. It holds a variety of Oly-Ola's premium poly/vinyl landscape edging and paver restraint styles in easy-to-handle 10 ft. landscape edging pieces and 7 ½ ft paver restraint sections. In addition, the Oly-Ola Display Rack also holds steel anchoring stakes and connectors. With base dimensions that measure 48" x 31", the well-organized compact rack can be placed in convenient indoor or outdoor store locations.

All Oly-Ola products are manufactured in the USA.

Founded in 1978, Oly-Ola, Edgings, Inc., headquartered in Villa Park, Illinois, USA, produces the most complete line of polyethylene/vinyl edging and paver restraints in the landscape industry. Oly-Ola has an international distributor network and supports many national and state landscape organizations.
