*Oly-Ola Edgings Introduces **Shallow BRIC-EDG II™** Paver Restraint with special “No Back Lip” feature*

Villa Park, IL - Oly-Ola Edgings introduces their newest “L” shaped paver restraint, **Shallow Bric-Edg II**. Featuring a streamlined backside with “no backlip”, **Shallow Bric-Edg II** is specially designed for installers who prefer placing the restraint outside of the paver.

Measuring 1½” deep x 2½” wide, **Shallow Bric-Edg II** is slightly smaller than other paver restraint styles and is ideal for hardscape installations using shallow pavers, patio blocks, slate or flagstone.

Shallow Bric-Edg II is constructed of 100% recycled black vinyl with specially designed “key-hole” cuts that make it flexible and durable. It is easy to install, does not require cutting or snipping and holds professional, creative hardscape designs securely.

Oly-Ola Edgings offers landscape contractors five paver restraint styles to fit a variety of paver projects and installation preferences - Shallow Bric-Edg II, Bric-Edg™, Bric-EdgII™ Bulldog-Edg™, and Shallow Bric-Edg™. All Oly-Ola paver restraints are constructed of 100% recycled black vinyl and feature Oly-Ola’s innovative “L” shape design, which makes them easy to install, either under or outside of the paver.

Oly-Ola Paver Restraints are safer to install and to use around pedestrians, children and pets than metal, wood or concrete curbing.

Non-kinking Oly-Ola Paver Restraints are available in either rigid or flexible sections, 15-ft. or 7 1/2 ft. lengths (with a 90 ft. minimum order) and are anchored by non-bending steel stakes that eliminate gapping, frost heave and contractor callbacks.

Founded 25 years ago in 1978, Oly-Ola, Edgings, Inc., headquartered in Villa Park, Illinois, USA, produces the most complete line of polyethylene/vinyl edging and paver restraints in the landscape industry. Oly-Ola products are sold exclusively through landscape distribution centers, landscape contractors and architects and independent nursery/garden centers. Oly-Ola products offer a 100% plus guarantee for 15 years including labor, materials and freight costs. Oly-Ola stocks a large inventory to prevent backorders and assure prompt delivery.
